COMPLAINTS COVERED BY POLICY

RESPONSIBILITIES WITH RESPECT TO SPECIFIED REPORTS

The Audit Committee is responsible for overseeing the receipt, retention and investigation of and response to all Accounting/Financial/Fraud Reports. Ignite's Senior Vice President and General Counsel is responsible for administering these procedures on behalf of Ignite.

The General Counsel will promptly forward to the Audit Committee, in detail, any Report involving an Ignite senior officer or any complaint regarding accounting, internal accounting controls or auditing matters. In determining whether the Audit Committee or the General Counsel should be responsible for investigating such Report, the Audit Committee will consider all relevant facts and circumstances, including the identity of the alleged wrongdoer, the gravity of the alleged wrongdoing and the likelihood of a material adverse effect on Ignite's reputation or financial statements.

The General Counsel or his or her designee will investigate all other Reports. At the quarterly Audit Committee meeting, Internal Audit will provide a summary of all Reports received since the prior quarterly meeting. The General Counsel will provide such additional information regarding any Report as may be requested by the Audit Committee.

TREATMENT OF REPORTS

In connection with the investigation of a Report, the Audit Committee and the General Counsel may consult with, and obtain the assistance of, any member of Ignite management who is not the subject of the Report. In addition, the Audit Committee and the General Counsel may, in its or his or her sole discretion, retain independent legal, accounting or other advisors as may be necessary or appropriate.

Upon completion of the investigation of a Report, the Audit Committee or the General Counsel, as the case may be, will take such prompt and appropriate corrective action, if any, as in its or his or her judgment is deemed warranted.

FOLLOW-UP TO REPORTS

The Audit Committee or the General Counsel, as determined by the Audit Committee, will contact, to the extent appropriate, each Ignite employee or individual who files a Report to inform him or her of the results of the investigation and what, if any, corrective action was taken.

RETALIATION PROHIBITED

Consistent with Ignite's policies, neither Ignite, the Audit Committee nor any director, officer or employee of Ignite will discharge, demote, suspend, threaten, harass or in any other manner discriminate or retaliate, directly or indirectly, against any Ignite employee or individual who, in good faith, makes a Report or otherwise assists the Audit Committee, Ignite management or any other person or group, including any governmental, regulatory or law enforcement body, in investigating a Report.

Neither Ignite, the Audit Committee nor any director, officer or employee of Ignite shall (i) reveal the identity of any person who makes a Report and asks that his or her identity remain confidential, unless necessary to conduct an adequate investigation or compelled by judicial or other legal process, or (ii) make any effort to ascertain the identity of any person who makes a Report anonymously.

RECORDS

The General Counsel or his or her designee will maintain a log of all Accounting/Financial/Fraud Reports, tracking their receipt, investigation and resolution and the response to the person

making the Report. Internal Audit will provide periodic summary reports thereof to the Audit Committee.

Ignite shall retain all Accounting/Financial/Fraud Reports and all records relating to such Reports for seven years after the close of any investigation.

PROCEDURES FOR MAKING REPORTS

The Ignite Open Door Hotline is managed by an outside, independent service provider and allows any Ignite employee or individual to make a Report without divulging his or her name. Open Door reports are monitored daily by the Senior Director of HR. All Accounting/Financial/Fraud Reports will be sent immediately to the General Counsel and the SVP HR for investigation and tracked through the Ethics Point system.

The Ignite Open Door Hotline service provider, Ethics Point, will explain to each caller procedures for following up on the Report (including the caller's providing additional information at a later date).
