

The Joint Apprenticeship and Training Committee of the Northwest Line Construction Industry is a non-profit association designed to systematically train workers for the outside electrical construction industry including Line Construction Journeymen and Journeymen Tree Trimmers.

An Equal Opportunity Affirmative Action Training Program, these Apprenticeship Programs are operated in a manner that does not discriminate based on any protected characteristics or conduct under federal, state or local law. The recruitment, selection, employment and training of apprentices during their apprenticeship shall be without discrimination because of race, sex (including pregnancy and gender identity), sexual orientation, color, religion, national origin, age, genetic information, disability or as otherwise specified by law.

This also includes grading, assessment, and advancement; on-the-job opportunities and assignments; rates of pay; imposition of penalties or other disciplinary action and termination; or any other benefit, term, condition, or privilege associated with apprenticeship.
